

Get Rewarded

for referring Assisted Payroll to your clients.

Why recommend Assisted Payroll?

- Your client enters hours, creates paychecks
- Intuit handles all the payroll taxes and filings
- Seamless integration with QuickBooks
- Job costing—clients can track job costs and profitability by project

How the Assisted Payroll referral program works

- Earn 20 % commission on your client's first-year purchase of Assisted Payroll (Typically \$200+ per client referral)
- You simply refer the lead to us; our dedicated teams will guide your client through purchase and setup
- Get paid after your client runs her first payroll on Assisted
- Receive reporting on your referrals on a monthly basis, and commission checks on quarterly basis
- No restrictions on how many clients you can refer!
